

## Desjardins and Ville et Villages en Santé of Pincourt Committee reveal important announcements

### The Celebrations of the 50th Anniversary of the Town of Pincourt honored at the Dinner-Theater Evening of the Ville et Villages en Santé (VVS) of Pincourt Committee!

Pincourt, July 8, 2010 - The VVS Committee held its annual Dinner-Theatre Evening at Pointe-des-Cascades Theatre on Thursday, July 8, 2010. More than 160 guests attended the event.

Every year, the VVS Committee announces its contribution to a project structuring the territory of Pincourt. The Chairman of the Committee, Ms. Françoise de Cardailiac, proudly declared that this year's contribution of \$5,000.00 would be allocated for the implementation of the Place des Bâisseurs.

The Mayor of Pincourt, Mr. Yvan Cardinal, warmly thanked the VVS Committee for its contribution for the installation of this new facility, which will be a legacy to the community as a reminder of the 50th Anniversary of the Town. This infrastructure will enable various activities such as cultural, community, entertainment and sport events all year round. A more elaborate program will be disclosed after the implementation of this structure.

Caisse Desjardins de Vaudreuil-Soulanges, represented by Colette Dubé-Bellerose and André Allard, both, directors and Ile-Perrot representatives at the Board of Directors, and Sylvain Bélisle, its General Manager, took the opportunity at this event to announce two important contributions for the Celebrations of the 50th Anniversary of the Town of Pincourt. A first amount of \$25,000 will contribute to all activities of the celebrations and a second one of \$25,000 for the implementation of the Place des Bâisseurs.

The Mayor has welcomed this tremendous contribution from Caisse Desjardins de Vaudreuil-Soulanges and proudly proclaimed that the stand Place des Bâisseurs would be designated as the Desjardins stand to remind everyone of this important contribution from Caisse Desjardins de Vaudreuil-Soulanges in the celebrations of the 50th Anniversary, not to mention the important contribution from the VVS Committee.

This evening, most enjoyable, despite the heat wave, was indeed a great success due to the large participation of the local people, responding to the call of the VVS Committee and the significant announcements from the VVS Committee as well as the Caisse Desjardins de Vaudreuil-Soulanges.
