A WORD FROM THE MAYOR

Dear citizens,

Summer is gently approaching, and several projects will be getting underway. The municipal council and I are committed to improving the living environment for the residents of Pincoy.

Soon, you will have the opportunity to enjoy several new places:

- A new Art Pathway.
- Two new outdoor pickleball courts.
- New features in Trotter Park.
- Phase 2 of the waterfront promenade on Duhamel Road, between 9th and 5th Avenue.
- A new artwork as part of the arts integration program.
- And much more.

Regarding the diverse and stimulating programming of the Recreation Department, several artists will liven up your evenings:

- Several musical styles will be offered at the **Thursday Shows**: Latin music, country, rock, etc.
- **Youth Tuesdays** will offer activities for children: foam party, bubble soccer, etc.
- Come try the **Pilates class** on August 25th at Place Bellevue.
- Matt Lang will get you dancing during **Firefighters' Day**.
- **Visit pages 18 to 27 for all the details.**

It will be a pleasure to see you at these summer events.

The municipal council and I wish you a wonderful summer.

Tree Planting

On Earth Day (April 22), the Town of Pincourt organized a tree planting event at the intersection of Boulevard de l'Île and Rue du Suroît.

A big thank-you to the horticulture and Public Works team for their valued contribution to this environmentally positive initiative!

New Traffic Committee

If you believe traffic calming measures would improve safety in your area—or if you wish to report a road safety concern—please contact the committee at this new email address: circulation@ville.pincourt.qc.ca

The committee will carefully review your request and may conduct a traffic study in your neighborhood using tools like speed analyzers, radar, and visual counts.

Already a fourth mural for the arts integration program!

After the municipal pool, the Salon de Quilles Pincourt and the Régie de l'eau de l'île Perrot station, it's now the turn of the Notre-Dame-de-Lorette school to adorn itself with this summer. Local artist Madeleine Turgeon will create *Rêver grand* (Dream big), an inspiring work of art that will come to life on the east facade of the building.

Keep your eyes peeled! The evolution of the mural will be easily from Cardinal-Léger Boulevard.

Laflèche-Rousseau Woodland Enhancement

An enhancement plan is being developed for the **Laflèche-Rousseau woodland** in collaboration with students from the Université de Montréal. It includes the installation of educational panels on the local flora and fauna to help raise awareness about the richness of this ecosystem.
