Next council meetings for 2020:

- April 14
- May 12
- June 9

60 YEARS OF HISTORY

The year 2020 will mark both the 60th birthday of the Town of Pincourt and the 40th edition of Firemen's Day.

For the occasion, the *Société d'histoire et de généalogie de l'Île Perrot* dug through its archives in search of some little historical treasures that tell the story of the town's early days.

Here are a few historical highlights from the years from 1754 to 1950.

1754 to 1950

After the Native Americans, it was the voyageurs, traveling by canoe on the Ottawa River, who were the first to visit Pincourt back in the 17th century. They would stop near the Quinchien rapids, near Île aux Pins, no doubt to trade in furs. At that time, Île Perrot was a seigneurie covered in a pine forest..

In 1754, one of these voyageurs, Joseph André (aka St-Amant), was granted a parcel of land close to Pointe-aux-Renards by the seigneur, Jean-Baptiste Leduc. This point of land was commonly called "Pointe à la barbue," named after the catfish ("barbue de rivière" in French) that was fished in the area.

Little by little, newcomers settled close to the Ottawa River, near the ferries to Dorion and Vaudreuil. Travellers would take a path called the "côte de Pincourt." At the time, "côte" meant a small path or shortcut.

In the following years, a number of craftsmen built their homes on small lots near the crossing points. They included the Dorion miller, an innkeeper, a weaver, a cobbler, a cooper, two blacksmiths and some merchants.

A few milestones

- 1855:** Construction of the railway
- 1872:** Opening of the first school
- 1929:** Addition of a chapel to the school
- Up until: 1925** Ferries (to Dorion and Vaudreuil) were operated by the Daoust, LaFlèche, Rousseau and Sagala families.
- 1950:** Pincourt had about 500 year-round residents.

DID YOU KNOW THAT...

Firemen's Day started out as a small, intimate gathering in one fireman's backyard on 17th Avenue! Back then, the day of fun and games was reserved for Pincourt firemen and their families.

Pictures from top to bottom: Hamel grocery store, nicknamed "Le petit château" (the little castle), opened around 1946 in the Pointe-aux-Renards area • School chapel: An annex was built onto the school in 1929 and used as a chapel for the next 23 years. • CN gateway • The LaFlèche ferry

COLLECTIONS CALENDAR 2020

To make sure you don't miss the truck on pickup day, please place your bins, bags and branches next to your driveway after 6 p.m. on the day before pickup.

Information on collection services: www.villepincourt.qc.ca ((Citizen's Services/Municipal Services/Collection))

RECYCLING: MONDAYS

The Vaudreuil-Soulanges Regional County Municipality (RCM) is in charge of picking up and transporting recyclable materials within the municipality. In late 2019, it announced a scheduling change for 2020 collection services as a result of a change in suppliers.

Several other municipalities in the RCM have also changed their recycling collection days.

FOOD WASTE: MONDAYS

Introduced in 2018 for single-family homes and in 2019 for multiple-unit residential buildings, food waste pickup takes place on Mondays.

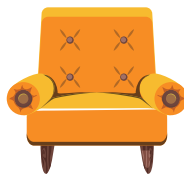

In 2020, a third implementation phase of food waste collection will be rolled out for businesses.

GARBAGE: EVERY SECOND FRIDAY

To avoid making residents put out three bins on the same day, the Town of Pincourt has agreed with its service provider on a new schedule for garbage collection. Thanks to Matrec's flexibility, garbage will be collected on Fridays from now on.

To promote sustainable development, Pincourt has also decided to follow in the footsteps of neighbouring towns and reduce the frequency of garbage collection. With the introduction of weekly food waste collection, the amount of garbage thrown out in garbage bins has dropped. For that reason, garbage will now be collected every two weeks.

LARGE ITEMS: FOURTH FRIDAY OF THE MONTH

Since garbage collection has been moved to Fridays, large-item pickup has been moved to Fridays as well.

BRANCHES: FOURTH TUESDAY OF THE MONTH, MAY TO OCTOBER

Branches will be picked up on the 4th Tuesday of every month, from May to October.

Due to the high demand, branch collection can take several days. Please make sure that your branches are on the side of the street the day of the collection, on Tuesday morning.

GREEN WASTE: EVERY SECOND MONDAY, MAY 1 TO SEPTEMBER 30

Green waste is picked up every second Monday between May 1 and September 30.

Pickup dates for fall leaves will be announced later this year.

CARDBOARD: WEEK OF JULY 2 TO 8

A special cardboard collection will take place during moving period, on the same day as recycling pickup.

Dismantle and stack your boxes next to your wheeled bin.

PROJECTS UPDATES

MUNICIPAL SWIMMING POOL

In 2019, the Town carried out work to bring its swimming pool up to swim meet standards. It also took the opportunity to rebuild the pool chalet. There are now two distinct buildings, one reserved for lifeguards and the other for the mechanical room and changing rooms.

Work on the buildings will be completed in March. **Afterwards, all that will be left is to finish the landscaping in May.**

The new chalet will be in service in time for the 2020 summer season.

DUHAMEL ROAD

In 2019, the Town started repairs to Duhamel Road.

Following the spring thaw, work will resume for a final sprint.

The last steps will be:

- applying the second coat of asphalt;
- marking the road;
- and finishing the landscaping work on private properties.

Anticipated work period: May to June

SOCIAL DEVELOPMENT

RENEWAL OF THE SOCIAL DEVELOPMENT POLICY

The Town of Pincourt is currently preparing to renew its Social Development Policy.

To that end, the Town will launch a major consultation process to gauge the opinions of several groups: the Town Council, Town employees, seniors, schools, early childhood centres, families, business people, citizens and so on.

With these consultations, the Town is hoping to identify its future goals in terms of social development. What can we do to improve the lives of our seniors? Or families? Where do we see Pincourt 10 years from now? These are some of the questions that the Town will endeavour to answer in its policy.

WHAT IS A SOCIAL DEVELOPMENT POLICY?

The Town's Social Development Policy is a work tool designed to guide its actions. It is halfway between a family policy and an age-friendly municipality policy (Municipalité amie des aînés).

It sets out how, collectively, we can have a positive impact on our environment and our community, with the Town's help. **Concretely, it will lay the foundation for initiatives designed to meet community needs by leveraging public participation.**

WE OWE THE FOLLOWING INITIATIVES TO THE SOCIAL DEVELOPMENT POLICY:

- Creation of four citizens' committees
- Creation of a call for projects
- Mondays in the Parks
- Intercultural Festival
- Installation of birdhouses at Ambrosio and René-Lévesque parks
- The Biblio-pour-emporter service (mobile library)
- Creation of the Parviflora mural (on Cardinal-Léger Boulevard, in front of Edgewater School)
- Access to the Meals on Wheels service in Pincourt
- Partnership with Planif005 for the mobile storytelling at Bellevue Park
- The Green Project and its gardens (in collaboration with the Chêne-Bleu High School)
- And more!

THE SOCIAL DEVELOPMENT POLICY IS:

- More than 2000 activities for nearly 15,000 participants
- About 70 volunteers
- Allowing citizens to reflect on the development of their town.

ANTICIPATED SCHEDULE:

Winter 2020: Consultations with Town Council, employees and seniors

Fall 2020: Consultations with schools, early-childhood centres, families, etc.

Winter 2021: Consultations with citizens

Spring 2021: Production of a health impact assessment by the Institut de la santé publique

Fall 2021: Adoption of the Social Development Policy and its action plan

Follow us on Facebook and sign up for our Info-P alerts (www.infop.ca) for the consultation dates.

Winterfest

Pincourt Winterfest was held on Saturday, January 25. As every year, many of you came along to enjoy some winter fun.

YOUR TOWN IN THE NEWS

COOPÉRATIVE DE SOLIDARITÉ DU BEL ÂGE

Welcome to all new residents!

Last February, the residents of La Coopérative de solidarité du Bel Âge were finally able to move into their new apartments in the Pointe-aux-Renards neighbourhood.

La Coopérative de solidarité du Bel Âge is a building with 80 affordable housing units for semi-independent seniors.

The seniors' home was the initiative of a citizens' group that had identified a need for affordable seniors' housing in the region.

The building boasts two elevators, a large central staircase with large windows on one side, 25 indoor parking spaces for three-wheel mobility scooters and 77 outdoor parking spaces, not to mention a kitchen for preparing meals, a dining room and a ground-floor patio out back.

NEW RESIDENTIAL PROJECT

Domaine de la Pointe

A new residential development by Construction Voyer will soon take shape in the Pointe-aux-Renards neighbourhood. *Domaine de la Pointe* will include 47 contemporary-style single-family homes, both bungalows and two-storey houses, situated in a brand-new, intimate neighbourhood.

The new homes will be built on an extension of Pointe-aux-Renards Road near Taillon Park. The project will be located next to the *La Coopérative de solidarité du Bel Âge* seniors' home.

Construction is in progress.

60 YEARS OF HISTORY

1950 to 1960 – From village to municipality

In 1948, the village of Pincourt was briefly a municipal entity, after the separation and incorporation of the municipality of Notre-Dame-de-l'Île-Perrot with Île-Perrot-Nord (now called Île-Perrot).

This union lasted a little more than a year until the Pincourt councillors asked surveyor W. E. Lauriault to determine the boundaries of a future municipality. Their idea was to secure a charter for this territory (effective January 1, 1950).

The 1950s saw the fledgling municipality rapidly acquire new buildings, infrastructures and public services that would guide its development to this day. Consequently, its population quintupled in ten years.

Census

1951:	521 residents
1961:	2 698 residents

Milestones

- | | | | |
|--------------|--|--------------|---|
| 1951: | Installation of street lighting and the first traffic light at the corner of Duhamel Road and Metropolitan Boulevard. | 1956: | The Town Council planned the municipalization of sewer and water services hitherto administered by Public Service Utilities, a private company. The by-law took effect in November 1960 and provided for the purchase of the private utility and the construction of a water treatment plant. |
| 1952: | Development for a new street parallel to Duhamel Road that would become Cardinal-Léger Boulevard. Approval for the opening of Saint-Paul Street (5 th Avenue), Trottier Street (6 th Avenue), Bois-Dormant Street (7 th Avenue), G. Bernard Street (8 th Avenue), J. Thibault Street (9 th Avenue) and 10 th Avenue (near Hamel Restaurant). | 1956: | Opening of the first playground near the new school on Colson Street (now Lussier Street). |
| 1952: | Construction and opening of Notre-Dame-de-Lorette Catholic Church. From 1953 to 1958, town council meetings were held in the basement of the church. A classroom opened in the sacristy around 1954. | 1958: | Opening of Notre-Dame-de-Lorette Elementary School. Designed by architect Jean Dampousse, the 12-classroom school, built by City Constructions Ltd., was inaugurated by Bishop Langlois during a gala banquet. |
| 1954: | Establishment of the Village of Pincourt School Board. A total of 174 children attend the little Notre-Dame-de-Lorette school in the church sacristy in overcrowded classrooms. | 1958: | Opening of the Presbyterian Church of Île-Perrôt, the first large Presbyterian church west of Montreal. |
| 1956: | Pincourt obtains its official mail delivery designation from Canada Post, separate from Dorion. | 1959: | City Hall moved to 442 Duhamel Road. |

RECREATION AND CULTURE

Pincourt Library

Located at 225 Pincourt Blvd. (inside Chêne-Bleu High School)

Regular Schedule

Monday to Thursday: 10 a.m. to 8:30 p.m. • Friday: 10 a.m. to 5 p.m. • Saturday*: 10 a.m. to 4 p.m.
*Closed on Saturdays from July 4 to August 29

Summer Reading Club

The library is pleased to invite children aged 16 and under to participate in the Summer Reading Club. This activity is designed to promote their love of reading and to encourage them to read throughout the summer.

This year's Summer Reading Club 2020 campaign identity is "Game On!". Whether we're reading at the library, online, around a table or in a field, independently or on a team, we want to challenge our physical and mental limits and give it our best for the love of the game.

Registration: June 1 to August 31. Parents who wish to register their children must commit to reading five stories to them.

Children 5 to 14 years: Children can register at the library.

Upon registration, a reading package will be awarded to each participant, and a surprise per family!

For information, call 453-8911 or 211.

**ACTIVITIES
CANCELLED
for Summer 2020**

Mondays, from 6 to 8 p.m.

Mondays, from 6 to 8 p.m.

Do you know your neighbourhood and the people who share a fence with you? This is a great opportunity to meet those who live on your block and build new friendships!

Our team of animators will offer music, amusement, face painting, inflatable games, and refreshments for a friendly get together!

7 p.m. – Desjardins Park

August 4

CLASSIC ROCK LINEUP

7 p.m. – Desjardins Park

Listen to the greatest rock hits played by Pincourt musicians.

Cancellation of Firemen's Day 2020

Here is the new visual identity for Firemen's Day that we intended to present to you this year.

Given that certain health measures put in place to protect Quebecers in the context of the COVID-19 crisis will need to be extended for the longer term, the Government of Quebec has requested that festivals and public sports and cultural events scheduled to take place between now and August 31, 2020 on Quebec territory be cancelled.

Unfortunately, this directive applies to Pincourt's Firemen's Day. During an event of this scale, it's virtually impossible for people to stay two metres away from each other. From a public health protection perspective, cancelling the event was deemed the wisest course of action.

We know how much Pincourt residents anticipate Firemen's Day each year. Let's make it a date for the 2021 edition! It's going to be fine!

TO CONTACT

514 453-8981

TOWN HALL

Summer schedule (June 24 to September 7):

Mon. to Thu.: 8:30 a.m. to 4:30 p.m.

Fri.: 8:30 a.m. to 1 p.m.

COUNCIL MEETINGS

By videoconference (until further notice)

Next council meetings for 2020:

- October 13
- November 10
- December 8

60 YEARS OF HISTORY

1960 to 2020 – Pincourt, the town

After obtaining its town status in 1960, the Pincourt territory rapidly urbanized. Successive town councils worked hard to establish a wide variety of services for an ever-growing population.

In the 1961 census, Pincourt had a population of 2,685, compared to 14,558 in 2016. Much of this remarkable growth can be attributed to the local authorities' vision of the future. Throughout this period, they maintained a constant pace to offer Pincourt residents a rich and varied living environment adapted to their needs.

Milestones

- 1963:** Inauguration of the Marion-Walker wastewater treatment plant
- 1965:** Establishment of the Pincourt municipal library in a former pumping station
- 1978:** Establishment of the Parks and Recreation Department, which has become the Pincourt Recreation and Community Services Department.
- 1980:** Construction of low-cost housing on Duhamel Boulevard by the Société d'habitation du Québec
- 1980:** Inaugural Firemen's Day
- 1982:** Inauguration of the fire station
- 1986:** Adoption of the "Pincourtois" demonym
- 1995:** Launch of a first responder service
- 1996:** Construction of the Omni-Centre
- 2003:** Opening of the Chêne-Bleu High School and Library
- 2010:** Opening of the Desjardins Kiosk at Olympique Park

SITES

CONSTRUCTION

1 699 CARDINAL-LÉGER BOULEVARD

PROJECT: FIRE STATION AND MUNICIPAL GARAGE

Project area: 1450 m²

Description: The new building will house both the Emergency and Fire Protection Department and the Public Works and Infrastructure Department. Existing buildings, such as the fire station and the municipal garage, will stay where they are.

The new building will bring the offices of the fire department, preventionists and firefighters under one roof and will include a cafeteria, an emergency measures room, a dormitory and a training room.

In the public works area, there will be the departmental administrative offices.

The building will have a total of seven garage doors, including four spaces dedicated to mechanics, a car wash and two for fire trucks.

Delivery: May 2021

YOUR TOWN IN THE NEWS

MUNICIPAL VEHICLES

NEW VEHICLE LETTERING

Have you noticed that municipal vehicles are now clearly identified with a new, dynamic and easy-to-read lettering?

You'll now be able to easily recognise municipal vehicles on our territory.

THE TOWN'S VERY FIRST ELECTRIC CAR

In keeping with its Sustainable Development Policy, the Town of Pincourt has acquired its very first electric car, a Hyundai IONIQ hybrid.

The Urban Planning Department will use the electric car on its city tours and home visits.

Thanks to this vehicle, we can do our work in an eco-friendlier way!

NEW OFFICE HOURS

Following the adoption of a new collective agreement, municipal office hours have changed.

Since September 7, opening hours have been extended, from Monday to Thursday, to offer citizens more flexibility.

CITY HALL

Monday to Thursday: 8 a.m. to noon and 1 p.m. to 4:45 p.m.

Friday: 8 a.m. to noon

Public access by appointment only:

514 453-8981 (see page 12 for the extensions)

Write or call us. We are open.

OMNI-CENTRE

Monday to Thursday: 8 a.m. to 12 p.m. and 1 p.m. to 4:45 p.m.

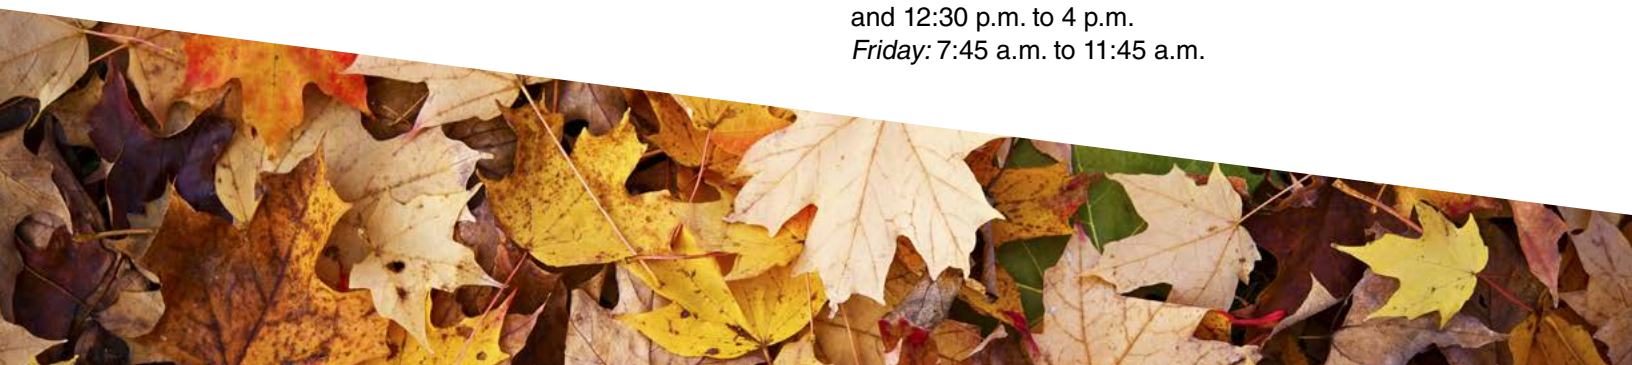

Friday: 8 a.m. to noon

MUNICIPAL GARAGE

Monday to Thursday: 7:45 a.m. to 12 p.m. and 12:30 p.m. to 4 p.m.

Friday: 7:45 a.m. to 11:45 a.m.

YOUR TOWN IN THE NEWS

KAYAKS AND SUP AT BELLEVUE PARK

If you've been to Bellevue Park, you have probably seen a huge colorful container near the riverbank. This container will become a water sports rental center!

This project, which was supposed to be completed in the summer of 2020, had to be postponed due to COVID-19. As the virus is still present, and not knowing its long-term evolution, it is difficult to predict when the official opening will take place.

One thing is for sure, it will be possible to rent non-motorized boats such as: kayaks, pedal boats, a canoe and paddle boards (SUP).

Details regarding rates, schedule and rental procedures will be revealed at a later date.

FIRE SAFETY

FIRE PREVENTION WEEK - OCTOBER 4 TO 10, 2020

GREAT ESCAPE

As part of Fire Prevention Week, the Emergency and Fire Protection Service will participate in the Great Escape, to raise awareness of the importance of having an evacuation plan in the event of a fire.

Date: Saturday, October 10

Time: Starting at 10 a.m.

Location: All municipal districts (registration required)

Preventionists will visit pre-registered residents in their homes. Participants are invited to prepare their evacuation plan and questions for the firefighters. The SDL animation team will be on-site to play music in the streets.

Door prizes among Saturday's participants will be drawn Tuesday, October 13.

CANCELLED

REGISTRATION REQUIRED (BEFORE OCTOBER 8)

Please send an email to communication@villepincourt.qc.ca and make sure to include your address.

FIRE PREVENTION GUIDE

The Emergency and Fire Protection Department is developing a Fire Prevention Guide, which will include various safety tips to prevent fires both inside and outside the home.

A hard copy of the Fire Prevention Guide will be delivered in late fall.

PINCOURT AND NOTRE-DAME-DE-L'ÎLE-PERROT INTERMUNICIPAL COLLABORATION

The Town of Pincourt and Notre-Dame-de-l'Île-Perrot are currently working on a fire safety agreement. This potential collaboration aims to improve the Fire Protection Department's response time and services offered to the population.

In particular, the respective Fire Protection Departments considered which vehicles could be used jointly and which ones would be lacking when it comes to serving both municipalities.

The details of this agreement will be disclosed at a later date.

CIVIL SECURITY

INSTALLATION OF A SIREN

If you've been to Shamrock Park recently, you may have noticed a post with a speaker. This set-up is a siren.

This new tool stems from a governmental public safety grant program that began in 2018.

In the event of a major incident, such as a train derailment for instance, the siren will serve as a warning to the population. The siren can be heard at a distance of 2 km.

The siren was installed at this location due to its proximity to 5th Avenue and shops located close to the train tracks.

No sound test is planned for the moment. Neighbouring areas will be notified in advance if necessary. These areas will also be informed of the procedures to follow should the siren be triggered for real.

RECREATION AND CULTURE

Please call 514 453-8981, ext. 214, to reserve a place for any of the activities below.

YOUR TOWN IN THE NEWS

"ON S'AIME ENSEMBLE" INCLUSIVE BENCHES AT BELLEVUE PARK

On October 8, the Town of Pincourt installed new benches in honour of social inclusion at Bellevue Park on the banks of the Ottawa River.

These benches were created within the scope of the "On s'aime ensemble" cultural mediation project created in 2019 with Tina Struthers, a visual and textile artist based in Vaudreuil-Dorion. Participants were invited to create the work that makes up the bench's backrest, a patchwork of thoughts and ideas on the theme of social inclusion.

The contemporary-style bench is made of cedarwood and featured Lexan panel inserts. It's possible to rest a walker or cane on the bench since it has built-in supports.

Pincourt's "On s'ème ensemble" contest is an initiative of the Pincourt Healthy City Committee and highlights the actions of citizens and organizations to break isolation and counter social exclusion. The names of future contest winners will be engraved on these benches every year.

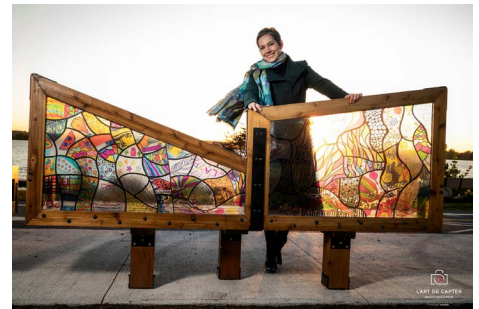

A Ministry of Culture grant made the creation of this work possible thanks to a generous grant.

A big thank-you to the whole artistic team:

- Tina Struthers, Artistic Director and Project Designer
- Jacques Grenier, Bench Designer
- Josiane Farand, Visual documentation and preparation for printing

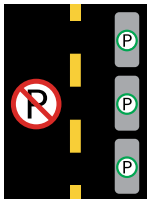

Credit: Josiane Farand

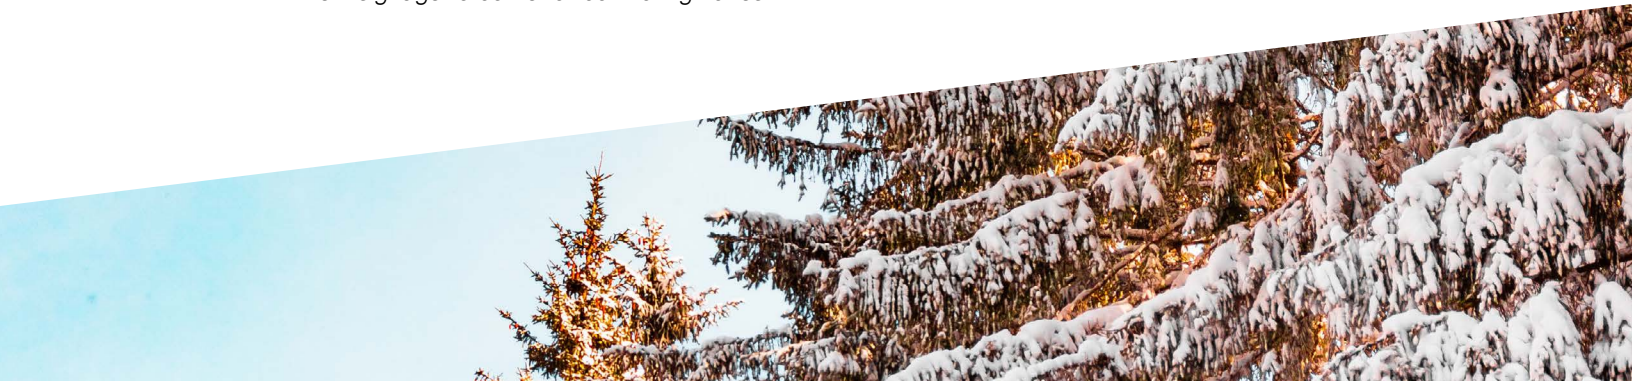

BY-LAW MODIFICATION: WINTER DAYTIME PARKING

Street parking is permitted on an alternating basis to facilitate winter snow removal operations, as follows*:

November 15 to April 1 Between 7 a.m. and midnight	
Even-numbered days: street parking permitted on the side of the street with even-numbered addresses	Odd-numbered days: street parking permitted on the side of the street with odd-numbered addresses

*New signage to come for conflicting zones

2020 SUCCESS STORIES

2020 was a landmark year. The COVID-19 pandemic brought its share of anxiety and uncertainty. Both young and old were called upon to adapt continuously to many extraordinary situations.

Despite the confinement, the Town carried up some key projects.

.....

Winterfest

2020 kicked off with our annual winter festival, which was held as normal, as gatherings were still allowed. More than 2000 cups of hot chocolate were served over the course of the day.

Sinks installed in some parks

In accordance with Public Health guidelines to reopen municipal parks, the Public Works Department installed sinks in some parks to allow users to wash their hands at regular intervals.

Virtual BBQ Wednesdays

Despite the cancellation of the summer activities program, the BBQ workshops were held in a slightly different format this year. The recipes were presented in the form of pre-recorded videos, thanks to the collaboration of Csur la télé.

The videos are still available online on the Town of Pincourt's website.

Happiness Squad

To compensate for the cancellation of the day camps, the Happiness Squad, which is composed of counsellors and facilitators, organized short periods of free play in the parks this summer to allow children to socialize with each other despite the pandemic.

Graduation photos

The Town of Pincourt made a point of highlighting the end of high school for its graduates who missed out on their graduation due to COVID-19. The Town posted signs featuring pictures of Pincourtois graduates at Trotter Park and in front of the Omni-Centre. Many parents appreciated this initiative.

Completion of work on Duhamel Road

In the spring of 2019, the Town of Pincourt began the reconstruction of Duhamel Road between 22nd Avenue and Bellevue Park. The work was completed during the summer.

Pumping station mural (5th Avenue)

Last July, the Pincourt Design Committee, in the presence of the Pincourt Municipal Council, unveiled a mural entitled "Douce rivière" at the pumping station, at the corner of Duhamel Road and 5th Avenue.

First electric vehicle

The Town of Pincourt acquired its very first electric car, a Hyundai IONIQ hybrid, which is used by the Town Planning Department.

Construction of the fire station-workshop

Construction of the new building, which will house both the Fire and Public Works Departments administrative offices, began this summer.

Credit: Josiane Farand

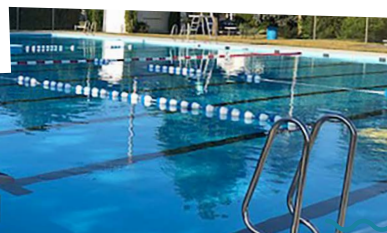

New benches in Bellevue Park

On October 8, the Town of Pincourt installed new inclusive benches in Bellevue Park, which were the result of the "On s'aime ensemble" cultural mediation led by artist Tina Struthers. **More details on page 3.**

Opening of the municipal swimming pool and new chalet

The chalet and the municipal swimming pool were given a facelift. The pool chalet now boasts a more modern style, has more toilets and changing rooms than before and an adapted family toilet near the pool area.

CULTURAL CALENDAR 2021
