TAILLON AND PAUL-OUELLETTE PARKS GET A NEW LOOK

This summer, Taillon and Paul-Ouellette parks will get a new look!

It was time to modernize the outdated play modules.

From now on, Taillon Park will be inclusive since it meets the criteria of universal accessibility. People with disabilities will be able to access the structure in wheelchairs thanks to an access ramp. The park also includes other inclusive features such as a parent-child seat, a rotating seat and sensory panels.

Residents will now be able to use a pathway, accessible via 2^e Boulevard, to access Taillon Park. Access to the park will be safer for local residents as it will no longer require passing by Duhamel Road.

Keen observers will notice the presence of a fox, in a game of "Spot the Differences", which is a nod to the Pointe-aux-Renards sector in which the park is located.

Expected delivery: end of May, beginning of June 2021

CONSULTATIONS IN PROGRESS

PUBLIC CONSULTATIONS

Updating the Social Development Policy

Pincourt's Social Development Policy is now over 8 years old!

The policy will be updated in 2021 and a new action plan will be developed. In order for this policy to represent the challenges and needs experienced by the population of Pincourt, all citizens will be invited to participate in the public consultations that will take place this summer.

Two consultations are already planned:

- May: survey addressed towards seniors
- July: survey open to all

The surveys will be available online. We look forward to hearing from as many people as possible so that this policy can fairly represent the entire Town.

CULTURAL POLICY SURVEY

The Town of Pincourt is presently elaborating its very first cultural policy, to be launched in 2021.

Participate in this process by answering the short public consultation survey available at pincourt.cocoriko.org.

Whether you are an artist or not, your opinion counts!

Deadline: May 24, 2021

SUMMER

Activities

SEASON PASS: POINTE-DU-MOULIN HISTORICAL PARK

Did you know that thanks to a contribution from the Town of Pincourt, all citizens have free access to the Pointe-du-Moulin Historical Park, located in Notre-Dame-de-l'Île-Perrot?

You can obtain a free family season pass at www.pointedumoulin.com/billetterie-residents. This pass will allow you to collect points that will give you early access to reservations for events with limited seating and chances to win prizes.

Please note that the season pass is not mandatory to enter the site. However, you will be required to show proof of residence at the park entrance (example: driver's license).

SUMMER Activities

SUMMER 2021 PROGRAMMING

While writing these lines, the health regulations in effect do not allow us to organize outdoor activities involving large-scale gatherings.

It is therefore with regret that we announce the cancellation of the Intercultural Festival and BBQ Wednesdays.

Other summer activities, such as Mondays in the Park and the Desjardins Kiosk events, will be announced at a later date in the event that sanitary restrictions are relaxed.

Stay tuned by following our social media and subscribing to our Info-P alerts (www.infop.ca).
